4. KIT CONTENTS:

<u>Item No.</u>	<u>Qty</u>	<u>Description</u>
1)	1	Emergency Road Kit Bag
2)	1	Installation Instructions Replacement Template

5. TOOLS REQUIRED:

- None

6. INSTALLATION PRECAUTIONS / NOTES:

The kit is **not** intended to be placed in the open cargo area or passenger compartment of any vehicle without being properly restrained. Please follow location instructions for your vehicle:

Vehicle	Proper Storage Location
All sedans and coupes with enclosed trunk	Place the Emergency Road Kit in the trunk.
350Z	Place the Emergency Road Kit into the storage compartment behind the passenger seat with lid closed.
Truck	Place the Emergency Road Kit into the bin under the rear passenger's seat. Make sure kit is secured with net.
Vehicles with open cargo area except Versa Coupe	Place the Emergency Road Kit into the storage compartment under the cargo floor.
Minivan	Place the Emergency Road Kit inside the spare tire (located under the carpet between the first and second rows of seating). For best fit, place the kit in the spare tire so that the handle is towards the rear of the vehicle. Then, the lug wrench can be placed on top of the kit alongside the word "Emergency". Be sure that the spare tire cover can be put fully back in place.
Versa Coupe	When 2 nd row seat is in upright position place Emergency Road Kit in cargo area. When 2 nd row seat is in down position place Emergency Road Kit on floor behind front seat.
