This bulletin has been amended. Please discard all copies of the earlier version.

APPLIED VEHICLES: 2001-2010 Nissan Manual Transmission-Equipped Vehicles

SERVICE INFORMATION

If an Applied Vehicle equipped with Manual Transmission (MT) needs servicing for warranty repairs, Nissan Manual Transmission Fluid (MTF) HQ Multi 75W-85, Nissan TransElf NFJ 75W-80, or Nissan GTR R35 Special is required. See the chart below.

Applied Vehicle	Required Manual Transmission Fluid
2007-2010 Versa (1.8L) 6-speed MT 2007-2010 Sentra (2.0L) 6-speed MT 2009-2010 cube® (1.8L) 6-speed MT	Nissan TransElf NFJ 75W-80 (P/N 999MP-MTF20P)
2009-2010 GT-R	Nissan GT-R R35 Special (P/N 999MP-GTRT00P)
All other Nissan MT-equipped vehicles	Nissan MTF HQ Multi 75W-85 (P/N 999MP-MTF00P)

IMPORTANT NOTE:

Nissan Manual Transmission Fluid (MTF) HQ Multi 75W-85, Nissan TransElf NFJ 75W-80, or Nissan GTR R35 Special oil must be used when performing manual transmission repairs paid by Nissan. These include warranty, service contract, or goodwill repairs.

Nissan will not reimburse dealers for manual transmission repairs when Nissan Manual Transmission Fluid (MTF) HQ Multi 75W-85, Nissan TransElf NFJ 75W-80, or Nissan GTR R35 Special oil is not used.

Nissan recommends use of the above listed manual transmission fluids, which optimize shift quality, for customer pay use as well.
