## NAVIGATION MAP DATA UPDATE MATRIX

This bulletin has been amended. Availability information for Map Data Update Method C and D has been revised. No other changes have been made. Please discard all previous copies.

**APPLIED VEHICLES:** 2003-2011 Nissan vehicles equipped with Navigation system - except LEAF

### SERVICE INFORMATION

Two methods are used to update/upgrade Navigation Map Data:

1. The customer goes to [www.nissannavigation.com](http://www.nissannavigation.com) and is mailed update disc(s) or SD Card and installs data, **OR**
2. The dealership is mailed update disc(s) and the customer must visit the dealership to have data installed.

Use the matrix below to determine which method is utilized for each Applied Vehicle.
